

Retrofit Cylinders

Medeco cylinders are available to retrofit most residential hardware products including mortise and tubular locksets, handlesets, and deadbolts. Medeco also offers cylinders to fit hardware that comes pre-mounted on doors from the manufacturer including single and multi-point lock mechanisms as well as some premium storm/screen doors.

No Limits On Style

With the vast array of retrofit cylinders available for other manufacturers hardware, you are free to select hardware from nearly any major residential hardware manufacturer and still enjoy the peace of mind of having Medeco security.

Control Over Your Keys

Medeco retrofit cylinders are UL 437 rated for complete control over who can make a copy of your keys. With this protection you are assured of knowing exactly who has access to your possessions and loved ones.
